

■ Atoban Car Photo Checklist

Please take clear, horizontal (landscape) photos in daylight. Here's what we need:

- Front of the car
- Right side
- Back
- Left side
- One front tire
- One wheel (ideally all 4)
- Full front dashboard
- Current mileage (close-up of odometer)
- Roof / Sunroof / Panoramic roof
- Driver seat
- Passenger seat
- Rear seats
- Back storage area / Trunk
- Any visible damage (if any)
- Registration card (or let us know if not available/paid)
- Vehicle title (or let us know if lost/unavailable)

Pro Tip:

Take your photos in daylight and hold your phone horizontally (landscape mode).
